

12/10

Inspection Report of Physical Verification of Kiosks and Broadband connections installed in Pathankot SSA.

Physical verification of Rural broadband Kiosks and broadband installed in Pathankot SSA was conducted during tour programme Gurdaspur w.e.f. 15.11.2017 to 18.11.2017 by the team comprising of **Sh. Sushil, JA and Sh. Vikas LDC** from O/o CCA, Punjab Telecom Circle, Chandigarh.

OBSERVATIONS:-

A. Kiosks inspected during the Physical Verification:

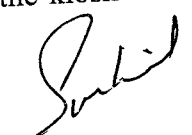

The details of each Kiosk visited during the physical inspection is as below:

1	Village:- Location:-	Dhapai Shop	SDCA:- Qadian Date of installation:-	Ph.No1872264639 17.05.2014
---	-------------------------	----------------	---	-------------------------------

Infrastructure is available in the kiosk. On an average monthly 12 customers are visiting the Kiosk. To attract more and more customers some effective efforts may be made to achieve the purpose for which subsidy is being given by the Government of India for installing a Kiosk. However, the kiosk is eligible for subsidy.

2.	Village:- Location:-	(Akotdarma) Adda Kot Shop	SDCA:- Qadian Date of installation:	Ph.No- 1872254213 10-12-2014
----	-------------------------	---------------------------------	--	---------------------------------

Infrastructure is available in the kiosk. On an average monthly 17 customers are visiting the Kiosk. To attract more and more customers some effective efforts may be made to achieve the purpose for which subsidy is being given by the Government of India for installing a Kiosk. However, the kiosk is eligible for subsidy.
